

# Card Protect Key Information Fact Sheet

**WarehouseMoney**

Warehouse Money Card Protect is an optional credit card repayment insurance that can assist with your monthly credit card payments if you are temporarily unable to work due to accident, illness or redundancy. It can also repay your entire balance if you die, are diagnosed with a terminal illness or specified critical illness, become permanently disabled or bankrupt.

**Cost:** Warehouse Money Card Protect costs \$0.74 for each \$100 (pro-rated) you owe on your credit card.

We'll calculate your insurance premium for the month based on your credit card monthly closing balance and charge this amount to your credit card account each month. You'll only be charged a premium if you owe money on your credit card.

**Your benefits:** The information below is only a summary. Full terms and conditions, exclusions, and stand-down periods that apply are set out in the Warehouse Money Card Protect Policy Document.

## ➔ Important Information

- Your benefits** – Each benefit has terms and conditions, exclusions, and stand-down periods that apply. Refer to the Policy Document for full details.
- Work conditions that may affect your ability to claim** – For example, if you haven't been working at least 20 hours a week at the time of the claim event you won't be eligible for the Redundancy or Bankruptcy benefits and a different definition of Temporary Disablement and Permanent Disablement will apply. Other terms and conditions apply – please see the Policy Document for full details.
- Unpaid leave** – If you've been on unpaid leave for more than 30 consecutive days at the time of the claim event, you won't be eligible for the Redundancy benefit and a different definition of Temporary Disablement and Permanent Disablement will apply. Other terms and conditions apply – please see the Policy Document for full details.
- Debts and liabilities this insurance covers** – This insurance will cover your Warehouse Money credit card account only and not any other debt or liabilities that you may already have (e.g. personal loans or mortgage).
- You may already have enough cover** – Depending on what insurance you may already have, you may have sufficient insurance to cover your Warehouse Money credit card payment or balance. You may want to check with your current insurance provider or adviser to see if the insurance you have is sufficient.
